THE LATEST SPECIAL NEWS AND UPDATES

Our All School Mass that was held on October 30th, was a beautiful commemoration for the faithful departed. The Mass was celebrated by Father Dominic, who guided us in prayer as we remembered those who are no longer with us. Students were given the opportunity to bring a picture of their loved ones and place them in our hearts. The ceremony was made even more meaningful that remined us of the importance of remembering, honoring, and keeping our loved ones close in our hearts.

Business class visits
OneAz Bank

On October 5, 2026, students visited OneAZ Credit Union with their teacher, Mrs. Melendez, to learn about financial responsibility. During the visit, they learned about the differences between credit and debit cards, how loans work, and how to maintain a good credit score. The experience helped students understand the importance of managing money and making good financial decisions. At the end of the visit, everyone received donuts as a sweet treat!

Junior National Honor society
Induction ceremony

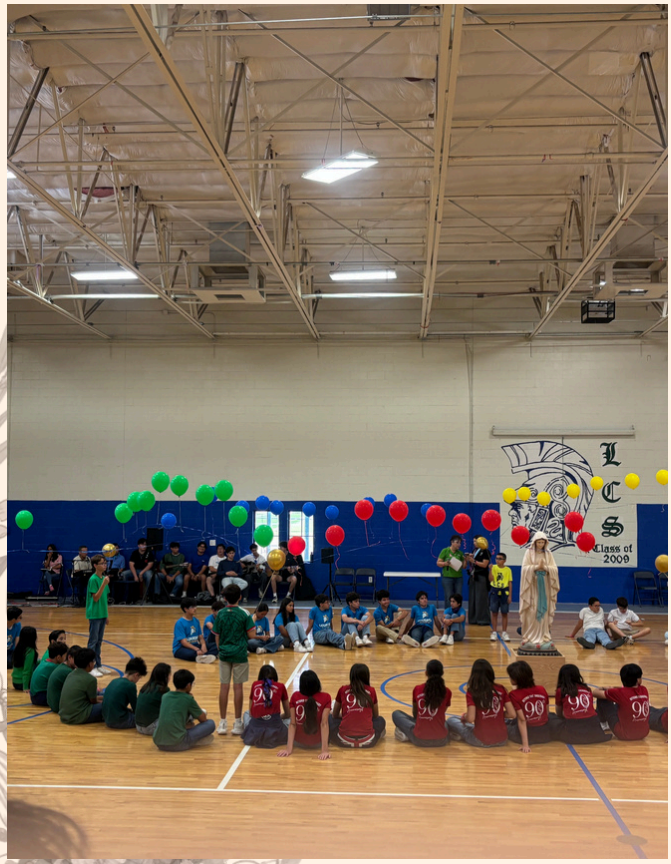

On October 1st, the Junior Honor Society hosted its induction ceremony, beginning with an opening prayer by Mrs. Contreras. Following the prayer, active members Isabella Estrella and Emilia Esquer took the lead in running the ceremony and presented the students dedication to scholarship, service, leadership, citizenship, and character. Each student was then called up to light a candle representing these values. In a special moment of family support, parents were invited to the front to place the official JNHS pin onto their children. The memorable afternoon ended with the incoming members standing together to recite the Junior National Honor Society pledge.

Rosary

On October 7, the elementary school celebrated Missionary Day with a special Rosary that brought students together in prayer and community. Each class was assigned a different color and worked together to create a large Rosary on the floor. Students carefully placed candles on the beads, adding a beautiful and meaningful touch to the activity. The different colors represented each class coming together as one school community. This special celebration was a wonderful opportunity for students to strengthen their faith, reflect through prayer, and remember the importance of unity and helping others.

On October 13, high school and middle school students came together to celebrate a special Rosary dedicated to missionaries around the world. Each middle school grade wore a different color and held balloons arranged in the shape of a rosary, creating a beautiful and meaningful display of faith and unity. Throughout the event, students prayed for missionaries who dedicate their lives to sharing God's love and helping others. At the end of the Rosary, the students released the balloons into the sky as a symbol of hope, faith, and support for missionaries everywhere. It was a beautiful moment that reminded everyone of the importance of prayer and spreading God's love to the world.

NHS Members Bring Joy to Senior Residents

Members of the National Honor Society recently visited Bowman, a nursing home, to spend time with the elderly residents and bring joy to their day. During the visit, students played board games, shared conversations, and listened to stories about the residents' past experiences and memories.
The visit was a wonderful opportunity for students to connect with the older generation and learn from their life experiences. Through simple activities and meaningful conversations, members were able to create special moments and build connections with the residents.

The best part of the visit was seeing how happy everyone was. The residents enjoyed the company and activities, while the students left feeling grateful for the opportunity to make a difference. It was a reminder that sometimes, the most meaningful way to help others is by giving them our time, attention, and kindness.

www.reallygreatsite.com

Overall, the visit to Bowman was an amazing experience for both the residents and the National Honor Society members. It showed how small acts of kindness can brighten someone's day and make a lasting impact on a community.

volley ball

The volleyball season was a fun and memorable experience for our Lady Warriors. They enjoyed playing together, supporting each other, and making great memories. Even when they faced challenges or lost games, they never gave up. They continued to work hard, learning from their mistakes, and encouraging one another. The Lady Warriors showed that volleyball is not just about winning, but also about teamwork, friendship, and determination.

Throughout the season, the Lady Warriors showed great sportsmanship and dedication. Every practice and game helped them become stronger and better players. They learned to trust each other, communicate, and work as one team. No matter the score, they always gave their best and kept cheering each other on. The season may have come to an end, but the friendships, lessons, and memories they made will last forever.

Class of the Month

We are proud to recognize our Italian elective class as October's Class of the Month. With the guidance of their teacher, Mrs. Hopkins, students are building their vocabulary, practicing new phrases, and developing their understanding of a new language. Their effort and participation help make the class a great place to learn. We look forward to seeing them continue to improve, gain confidence, and enjoy learning Italian throughout the school year.

Alumni:Jackeline Mayer

Jackeline Mayer Reyna is a member of the Class of 2007. She currently lives in Tucson and works as an Optical Engineer at Raytheon, a defense company. She studied Engineering at the University of Arizona and tests products in the prototype and production stages. Her favorite school memories include folklore rehearsals, bus rides to away basketball games, and math classes with Mr. Tavares. She also remembers how close her class was since many of her classmates had been together since elementary school. Lourdes taught her to dream big, never give up, manage her time, and take pride in her Hispanic heritage.
