(Kermes Edition)

kermes

Our school's Kermes had many food stands offering delicious foods such as chimichangas, finitos, tacos de asada, pizza, and much more. There were also different games for kids to enjoy, along with a fun "Get Married" stand where students and families could participate. A large grassy area was also set up with inflatables, giving everyone a place to play, jump, and have fun. Families, students, and teachers came together to enjoy the food, activities, and entertainment. Once again, the Kermes was a successful and exciting event that brought our school community together and created many great memories.

The Purple and Blue teams also made the Kermes extra special with their creative dances. The Purple team had a Descendants theme, featuring different characters from the movie, while the Blue team chose a Disney theme. Both teams put a lot of time, effort, and creativity into their performances, making them entertaining and exciting for everyone watching. Both teams worked hard to support their candidates and show their team spirit throughout the event. At around 5 p.m., the winners were finally announced, and the Purple team took home the victory! This made Romina and Sergio the school's new queen and king. Everyone celebrated their hard work, and the Kermes ended with excitement, happiness, and unforgettable memories.

PURPLE TEAM

This year, the junior class proudly led the Purple Team, with candidates Sergio Rochin and Romina Gonzales, and chose Descendants as their theme. The team started things off with a successful bake sale on October 13th, where students had a great time taking pictures, getting their faces painted, and showing off their Purple Team spirit!

The junior class worked hard creating colorful posters and teaching dances to middle and high school students after school. Preparing for the kermes was both a fun and challenging experience but everyone came together and worked as a team, and made lasting memories along the way.

All their hard work and dedication paid off in the end the Purple Team took home the win at the kermes! Congratulations to the junior class, Sergio Rochin, Romina Gonzales, and everyone who helped make this years kermes such a success!

BLUE Team

The Blue Team has been bringing great energy, leadership, and school spirit to campus with their Disney-themed campaign. Led by the seniors candidates María Regina and Elias, the team recently hosted a successful bake sale to raise funds.Along with a variety of treats, they set up a face painting station where students could get painted, enjoy the Disney vibe,and show their team support in a fun, lively atmosphere.

Right after the bake sale, the excitement carried over to the volleyball court, where the girls competed in a great game against the Purple Team. That followed another game day earlier in the week, when the Blue Team boys had their own high energy matchup against Purple. Throughout both games, María Regina and Elias were right on the sidelines cheering on their teammates and bringing everyone together. It was a fantastic week that showed off the Blue Team's commitment,enthusiasm, and strong spirit!
